International Conference on **Management of Emerging Paradigm Conflicts in a Globalizing World**

January 8 & 9, 2010
Bangalore, India

Organised by
The International Society for Competitiveness (ISC)
PES Institute of Technology, Bangalore
Indiana University of Pennsylvania

The 2010 PESIT International Conference will focus on discussing management imperatives and approaches to handling the major emerging challenge of the 21st Century - resolving and managing conflicts at the individual, corporate, national and international levels, and in the process evolving new paradigms for the future.

The Conference will feature internationally renowned keynote speakers, and a large number of high quality, peer-reviewed presentations by academics and researchers.

Schedule: January 8 & 9, 2010

Venue: PESIT Campus, Banashankari Stage III, Bangalore.
